

System Administration Training

Tripleplay offers training services to our authorized partners and for users of our digital media platform. Our System Administration Training is a one-day course and covers advanced system operation, enhancements and administration for technical users of our platform.

ONE-DAY COURSE AGENDA

- User Accounts
- User Groups
- TripleTV - IPTV
- TripleCare – Client management
- NVOD
- TripleTV+ - PVR & Trick Play
- TripleMUX
- TripleVOD
- TripleData – Reports tool
- TripleCMS
- TripleClient – Screen Control
- TripleEvent
- TripleRecord
- Workflow Management
- Quickdrop
- TripleChoice - Portal Editing Tool

LEARNING OUTCOMES

Attendees of the course will;

- Understand set-up and management of TripleTV IPTV
- Learn simple Interactive IPTV Portal editing in TripleChoice
- Understand user management and reporting

Our sessions can be delivered to groups both on-site or at one of our regional headquarters, and can be amended to suit your specific requirements. Please contact your account manager or local authorized partner for availability and prices.
